EDUCATION

Open University of Sri Lanka | 2022–2026

BSc. Honors in Chemistry.

- Computational Research & Machine Learning – Developed a toxicity prediction pipeline for honors thesis, processing complex chemical datasets.
- Data Engineering – Extracted and engineered features using MACCS keys and Python-based cheminformatics libraries.
- Core Sciences – Physical Chemistry, Analytical Chemistry, Organic Chemistry.

Vidura College | 2006–2019

G.C.E. Advanced Level
G.C.E. Ordinary Level

SKILLS

- Languages – Python, JavaScript, C++, HTML5, CSS3
- Web & Mobile – React, Node.js, Express.js, Django, Flutter, TailwindCSS, Bootstrap
- Data Science & ML – Pandas, NumPy, Matplotlib, Seaborn, RDKit, DeepChem
- Databases & Tools – MongoDB, MongooseJS, Firebase, Git

CERTIFICATES

DeepLearning.AI & Stanford Online | 2025

Supervised Machine Learning: Regression and Classification

Kaggle | 2024

Intermediate Machine Learning
Introduction to Deep Learning
Introduction to Pandas
Data Visualization
Data Cleaning

OPSWAT | 2023

Cybersecurity fundamentals

PROFESSIONAL EXPERIENCE

Dilmah | Jun 2025 – Sep 2025

Quality Assurance Intern

- Was involved in the development of innovative food-grade packaging solutions, emphasizing eco-friendliness and biodegradability while ensuring full adherence to EU plastic regulations.
- Tested production materials, systematically analyzing defect data to provide continuous assessments and implement actionable solutions.
- Applied a broad range of quality analysis tools as well as the application of these tools relating to different areas.

Colombo Archery Centre | 2020–2021

Archery Instructor

- Provided coaching and guidance to beginners of all ages, fostering skill development and a passion for archery.
 - Organized and oversaw archery events, ensuring seamless execution and participant engagement.
-

VOLUNTEER EXPERIENCE

ZeroPlastic Movement | Feb 2025 – Oct 2025

Content Coordinator

- Managed members of the content writing team for the OUSL zero plastic committee, overseeing the production of written materials.
- Authored and edited articles focused on the environment and sustainability.

University Open Day & Buckyball Society | 2023 – 2025

Event Organizer & Exhibitor

- Prepared and presented subject matter for the A/L Chemistry Corner during Open Day on April 4th and 5th, 2025, on behalf of the Buckyball Society.
- Assisted with demonstrations, guided visitors, and organized exhibits for Open Day 2024 for the Faculty of Natural Sciences.
- Developed and structured engaging learning modules to enhance user education during the 2023 Open Day.
- Organized and led a dynamic quiz competition, fostering participation and knowledge sharing.
- Managed and supported multiple projects, ensuring smooth execution and team collaboration.

Zoology Club | 2023

Member of the Editorial Committee

- Responsible for language editing and content submission for the annual newsletter, including essays, articles, and other materials.
